

## 2014 REPLAY QUIZ #14

1. 3/10 @ A-20. Quarterback A14 runs to near the line of scrimmage and throws an incomplete pass. B96's hit on A14 is flagged for Targeting only (not Roughing the Passer as the hit is not late), resulting in 1/10 @ A-35. Replays show that the ball and A14's:
  - a. body, except for his back leg, were beyond the neutral zone when the pass was released, and that B96 made:
    - i. forcible contact to the head and neck area of A14.
    - ii. initial contact with A14's shoulder and only incidental contact with his head and neck area.
  - b. entire body were beyond the neutral zone (A-21) when the pass released, and that B96 made:
    - i. forcible contact to the head and neck area of A14.
    - ii. initial contact with A14's shoulder and only incidental contact with his head and neck area.
2. F/K @ A-35. Kicker A7 is flagged for a Free Kick Out of Bounds at the B-5. Replays show that B24:
  - a. touched the kick in flight while standing on the sideline, and the ball fell to the ground out of bounds.
  - b. touched the kick in flight while standing in the field of play, and the ball fell to the ground out of bounds.
  - c. leaped from the field of play, controlled the kick in flight, and landed with possession of the ball out of bounds.
3. 2/15 @ 50 with 0:20 remaining in the 2nd Quarter and Team A with one time out remaining. A36 carries the ball to the B-40 where he is ruled to have fumbled. B48 picks up the ball and returns it to the A-40 where he is ruled down and the clock is stopped at 0:06 to award a new series to Team B (B - 1/10 @ B-40). Replays show that:
  - a. A36 was down at the B-40 prior to the ball coming loose (0:14).
  - b. A36 did fumble, recovered by B48, but B48 then fumbled at the A-40 prior to being down, with A12 recovering in the immediate continuing action at the A-35.
4. 4/5 @ B-35 with 0:05 in the 4th Quarter and the score A-21, B-13. A10 takes the snap, intending to run around for five seconds and take a knee, but is tackled at the B-45. When the Side Judge looks at the clock, it reads 0:00, and the Referee declares that the game is over. Replays show that, when the ball was dead by rule, 0:01 remained.
