

2015 REPLAY QUIZ #4

1. 4/10 @ A-30. The ruling on the field is that A7's punt is:
 - a. possessed by B25 at the B-20, fumbled and recovered by A86 at the B-25, and advanced across B's goal line for a touchdown. Video shows that B25 never possessed the kick.
 - b. muffed by B25 at the B-20, recovered by A86 at the B-25, and the ball was ruled dead there. Video shows that B25 possessed the kick and then fumbled.
2. 3/5 @ A-45. Receiver A82 steps out of bounds, and officials rule a completed pass but Illegal Touching when he catches the ball and is downed immediately at the B-40. Video shows that A82 jumped from out of bounds to control the pass in flight and then lands inbounds. Also on the play, there was a foul for:
 - a. a Team B player lined up in the neutral zone.
 - b. more than four Team A players in the backfield.
3. 2/G @ B-10. Video shows that A4's pass is controlled by A85 while the ball is beyond B's goal line. While still airborne, A85 is driven back to the B-3 where he:
 - a. falls to the ground. The covering official spots the ball just inside the field of play.
 - b. contacts the ground, regains his balance, and runs to the B-1 where he is tackled. After the play, the officials huddle and award a Touchdown to Team A.
4. 1/10 @ B-25. First possession of the first overtime. A13's pass is intercepted by B24 at the B-10 and returned for an apparent touchdown; however, B56 is flagged for:
 - a. a personal foul with targeting for a blindside block of A13. Video shows that:
 - i. there was forcible contact to the head and neck area.
 - ii. there was no forcible contact to the head and neck area.
 - b. targeting only for a blindside block of A13. Video shows that:
 - i. there was forcible contact to the head and neck area.
 - ii. there was no forcible contact to the head and neck area.
