

## 2016 REPLAY QUIZ #9

1. 3/5 @ B-10 with less than two minutes remaining in the 2nd quarter. A24 carries the ball to near the line-to-gain and is ruled out of bounds at the B-5. Replays show that prior to stepping out of bounds, A24 fumbled the ball at the B-6, and that in the immediate continuing action the ball:
  - a. was clearly recovered by A86 at the B-2 and carried across B's goal line.
  - b. was clearly recovered by B36 at the B-2 and advanced to the B-5.
  - c. went into a pile at the B-2 and there is no indisputable video evidence as to who recovered it.
  - d. goes out of bounds at the B-7.
  
2. 4/5 @ B-20. The score is A-17, B-21 with 0:36 remaining in the 4th quarter and Team A with two time outs remaining. Team B is flagged for being offside at the snap. The ruling on the field is that A7's pass to A83 is incomplete at the sideline at the B-10. The penalty is enforced, resulting in A - 1/10 @ B-15 - Snap. Believing that the pass was complete, the Team A head coach challenges the ruling of an incomplete pass. Replays show that A83 stepped out of bounds on his own at the B-15, then:
  - a. leaped from out of bounds at the B-13, touched (0:32) then controlled the ball while airborne, landed with his left foot just inside the sideline, and fell to the ground totally inbounds still in control of the ball (0:30).
  - b. re-established in bounds at the B-13, touched (0:32) then controlled the ball while airborne, landed with his left foot just inside the sideline, and fell to the ground totally inbounds still in control of the ball (0:30).
  
3. Try @ B-3. Team A lines up to go for two amidst great confusion by Team B. A10's pass is intercepted by B27 in B's end zone, and returned nearly the length of the field. A45 pursues him and grasps his face mask at the B-5, but he crosses A's goal line for two points. The ruling on the field is that Team B:
  - a. participated with 12 players on the field, but officials did not recognize there with 12 in the formation until after the snap. Replays show that Team B had only 11 players on the field.
  - b. participated with only 11 players on the field. Replays show that Team B had 12 players in the formation at the snap.
