  - a. the ball touched B98's leg and then immediately A21's leg at the A-44 prior to A87's recovery.
  - b. the ball touched A21's leg at the A-44 prior to A87's recovery, and was untouched by any member of Team B.
  - c. A21 blocked B98 at the A-46 while the ball was at the A-44. The kick was untouched by any member of Team B.
  - d. when A87 touched the ball -- untouched by any member of Team B -- at the A-46, his foot was on the sideline.
  
2. 3/10 @ B-40 with 0:39 remaining in the 4th quarter, the score A-24, B-28, and Team A with no time outs remaining. From the B-45, A7 throws the ball toward A89 and the pass is ruled backward. A89 catches the pass, and from there throws downfield to A26 near the sideline at the B-15, and this pass is ruled incomplete with 0:31 on the clock. Replays show that:
  - a. A89 caught the ball at the B-46, and A27 secured control of A89's pass while airborne and then touched the ground first with his left foot out of bounds and then his right foot inbounds.
  - b. A89 caught the ball at the B-46, and A27 secured control of A89's pass while airborne and then touched the ground first with his right foot inbounds and then his left foot out of bounds.
  - c. A89 caught the ball at the B-44, and A27 secured control of A89's pass while airborne and then touched the ground first with his right foot inbounds and then his left foot out of bounds.
  - d. A89 caught the ball at the B-44, and A27 secured control of A89's pass while airborne and then touched the ground first with his left foot out of bounds and then his right foot inbounds.
