

REPLAY FOR NON-REPLAY TYPES - 2012

Free Kicks [12]

Touching of the kick:

- [1] Touching before/after free kick has gone 10 yards. {1}{2}
- [2] Free kick touched/not touched by Team B before going out of bounds. {3}{4}{5}
 - a. May require clock adjustment.

Ball hitting a boundary line including the pylon:

- [1] Officials rule kick did not hit sideline but did hit sideline. {6}
- [2] Officials rule kick did hit sideline but did not hit sideline. {7}
 - a. Recovery in “immediate continuing action” applies.

Kicking team player out of bounds and returns:

- [1] Official rules player stepped on sideline but did not. {8}
- [2] Official rules player did not step on sideline but did. {9}
- [3] Official rules player forced out of bounds.
 - a. Replay can rule if no contact but not on severity if contact. {10}{14}

Catch or recovery at the sideline:

- [1] No recovery if airborne player possesses ball and lands out of bounds. {11}

Catch or recovery in an end zone:

- [1] Reviewable.

Free kick ends when kick caught, recovered or becomes dead:

- [1] Replay rules for running plays then kick in.

Not reviewable:

- [1] Kicking team blocking before ball goes 10 yards. {12}
- [2] Out of bounds spot when airborne kick goes out of bounds. {13}
- [3] Fair catch interference. {15}{16}
- [4] Free kick recovery in field of play when sideline or end zone not involved. {17}
