

# REPLAY FOR NON-REPLAY TYPES - 2012

## Scrimmage Kicks [33]

---

### **The touching of the kick after kick crosses neutral zone:**

- [1] Touching by Team B before Team A recovers. {92a}
- [2] Touching by Team A, then Team B before Team A recovers. {92b}
- [3] Blocking of low kick within three yards of neutral zone. {93}
- [4] Ball breaking plane of B's goal line or not when Team A bats ball. {94}

### **The ball hitting a boundary line including the pylon:**

- [1] Officials rule kick hit sideline but did not hit sideline
  - a. Recovery in "immediate continuing action" applies.
- [2] Officials rule kick did not hit sideline but did hit sideline. {95a}

### **Catch or recovery at the sideline:**

- [1] Replay can rule if loose ball recovered inbounds or not. {95b}
- [2] No catch or recovery if airborne player possesses ball and lands out of bounds.

### **Kick hitting in end zone:**

- [1] Officials rule untouched kick did not hit in end zone but did. {96}

### **Kicking team player out of bounds and returns:**

- [1] Official rules player stepped on sideline but did not. {97}
- [2] Official rules player did not step on sideline voluntarily but did. {99}{99a}
- [3] Official rules player forced out of bounds.
  - a. Replay can rule if no contact but not on severity if contact. {98}{102}

### **Scrimmage kick crossing neutral zone:**

- [1] Officials rule that kick did not cross neutral zone but did. {100}

### **Receiver muffs or catches scrimmage kick:**

- [1] Replay may reverse muff or fumble call by officials. {101}

### **Advance by Team B after a waving signal:**

- [1] Direct competitive impact considered when ball should be blown dead. {106}

### **Not reviewable:**

- [1] Simultaneous possession. {103}
  - [2] Out of bounds spot when airborne kick goes out of bounds. {104}
  - [3] Kick catch interference. {105}
  - [4] Replay may rule that ball was touched but not forced touching. {106a}
- .
